Buncom Day Plans

April 3, 1995

Dear Member:

The planning session for Buncom Day '95 -- Saturday, May 27 -- produced several new ideas for our second annual event. Country living activities, especially for children, emerged as the theme to emphasize, along with the Buncom souvenir shirts, mugs, and other artwork. We plan also to expand the supply of flowers and plants, which sold very well, and to repeat last year's successful refreshment booth and the "Boutique" of used goods. A tour bus from Jacksonville is being looked into, as are other vendor-provided activities such as a cappuccino cart, hayride, wine-tasting, barbecue, and crafter's booths. If you have ideas to suggest (particularly if you know of local artists or crafters who would participate), please give us a call.

Many of those present volunteered to take responsibility for coordinating the activities; their names and phone numbers are listed below. Also listed are other activities we would like to have but have no one to make them happen. If you can help, please call the person coordinating the area that interests you or call Connie Fowler (899-7805) or Carolyn Roberts (899-1125) to become a coordinator.
